Bronchitis, Asthma, and Consumption. The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority;

as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs, As a safeguard to children, amid the distressng diseases which beset the Throat and Chest of hildwood, it is invaluable; for, by its timely use, nultitudes are rescued and restored to health. This medicine gains friends at every trial, as the cures it is constantly producing are too re-
